

SAI ZENITH

GROUP

Why Choose Sai Zenith

HVAC & Fire Safety Consultancy

HVAC & Fire Fighting Specialist

In - House Design & Installation Team

Robust After-Sales Service

Designated Safety Of ficers

Advanced Equipments for Superior Installation

Cost Saving Solution

Well Trained & Certified Team

About Us

Established in **2016, Sai Zenith Group** has emerged as a trusted leader in providing comprehensive industrial and commercial utility solutions. Headquartered in **Chakan**, the heart of Maharashtra's industrial belt, we are committed to delivering excellence, safety, and operational ef fciency to our valued clients.

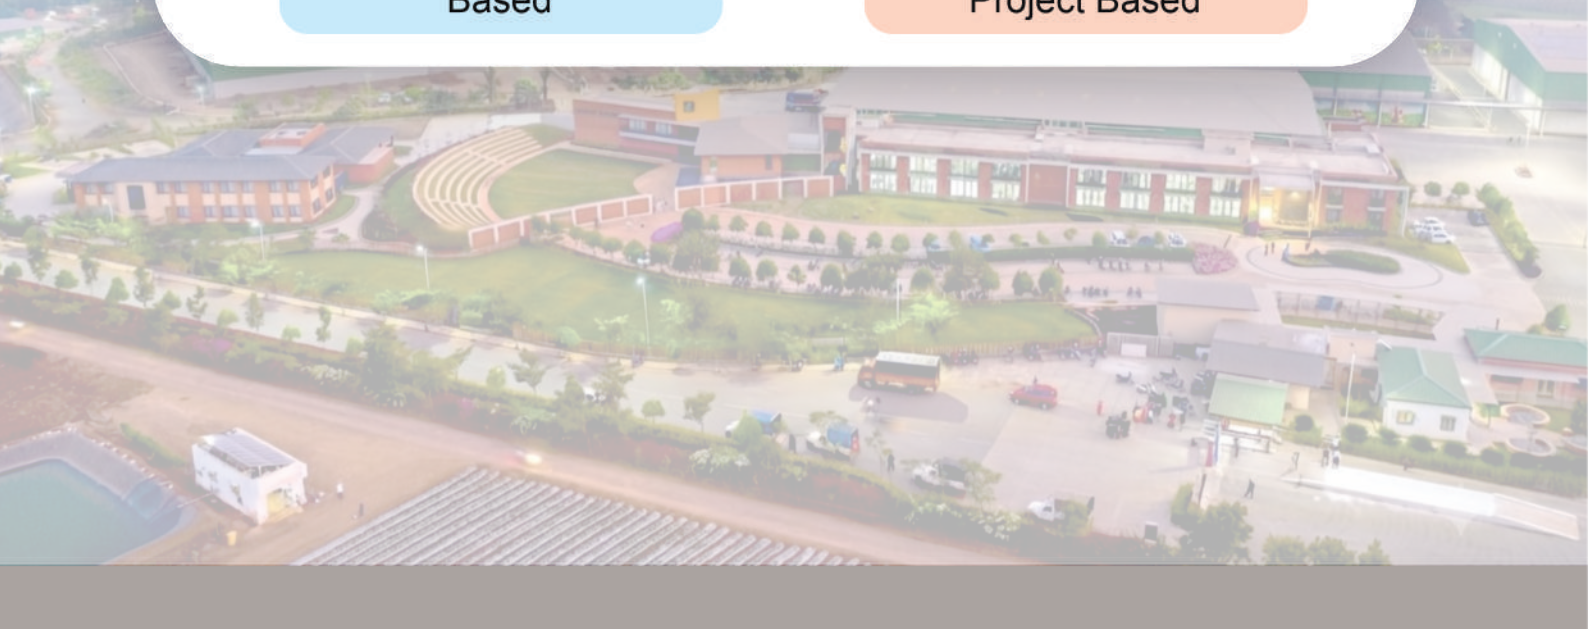

Our core expertise lies in high-precision engineering services, specifically specializing in **HVAC (Heating, Ventilation and Air Conditioning)** systems and **Fire Pipeline installations**.

We understand that a robust infrastructure is the backbone of any successful enterprise; therefore, we combine technical mastery with modern technology to design, install, and maintain systems that ensure comfort, air quality and uncompromising fire safety.

Sai Zenith Group

Shree Sai Aircon India Pvt. Ltd.
HVAC Project Based

Shree Sai Samarth Techno Projects LLP
Fire Safety & Piping Project Based

"Since 2016, I have Been Dedicated to Delivering Excellence in the Field of Fabrication and Fire Protection Systems & Piping. As the Director of Sai Zenith Group. I have Spent years Honing my Technical Expertise to Provide Robust, Reliable, and High-Performance Engineering Solutions.

Our Commitment to Quality is Reflected in the Trust we have Built with Industry leaders, Including LG Group, Nibe Ltd, SEW-EURODRIVE India Pvt. Ltd., Bajaj Auto Ltd., Mylan Laboratories Ltd., Minda Group, and many others.What sets us apart is our relentless pursuit of precision :

On-Time Delivery : We respect deadlines as much as we respect technical Standards.

Advanced Technology : We integrate cutting-edge tools and methodologies into every project to ensure safety and *effciency*.

Building Relationships : Beyond just executing projects, I believe in building lasting connections with people, ensuring that our growth is shared and sustainable.We operate on a simple yet powerful philosophy: 'Let us learn together; let us progress together. 'At Sai Zenith Group, we don't just build systems; we build trust and safety that stands the test of time.

Prasad Shirsath

Technical Director

Fire Safety & Piping Projects

"With Over 13 years of extensive experience in the engineering and industrial sector, I have dedicated my career to driving precision and reliability. As a Director, at Sai Zenith Group.

My focus has always been on maintaining the highest standards of technical excellence and operational discipline.Throughout my journey, I have prioritized a problem-solving approach, ensuring that every projects executed with meticulous attentiont detail and a commitment to long term quality. I believe that true professional success is built on the foundation of consistent performance and a deep understanding of the client's vision.

My guiding philosophy is: 'Precision in every step, excellence in every delivery. 'I am driven by the belief that innovation and integrity are the core pillars of our work. At Sai Zenith Group, we strive to transform complex industrial challenges into streamlined, sustainable solutions, ensuring that we not only meet expectations but consistently surpass them."
